**Salat is one of the five fundamental requirements (Rukn) that a Muslim is obligated to perform. Salat is given the highest priority in the Holy Quran.**  
 There are many benefits of Salat described in the Book of Allah. It says, *innassalata tanha anil fahsha'i*, Surely Prayer restrains one from indecency. (29:46)  
 In chapter Luqman, We read that when Hadhrat Luqman was giving advice to his son, the first and foremost on his mind was to remind his son, *ya bunayya aqimissalat* "O my dear son, observe Prayer!" (31:8)
